## DRINKS PROPOSAL

Proposal to encourage drink sales with our "Shot of Poison" shots in branded glasses.

- Band will supply our branded shot glasses.
- Drinks may be pre-poured to save time.
- Charge \$8 for the shot. We split that 50/50 with the bar. Patron keeps the glass.
- Band will bring posters or table tents to advertise the drink.
- Near the end of the show, band will announce an upcoming toast (during *Nothing But a Good Time*), and encourage the audience to purchase the drink for it.

This recipe is for the bar to mix, not to advertise.
